*teaching: courses**Northern Illinois University***Independent Research (Fall '17, Spring '16)**

ART 490—Advanced students explore independently defined topics and create self-initiated solutions related to an individually structured design process.

Advanced Visual Communication II (Spring '16, Spring '15, Spring '14)

ARTD 412—Students explore the design of content-rich and interactive publishing systems through the development of an editorial perspective and interdisciplinary campaigns.

Advanced Visual Communication I (Fall '14)

ARTD 411—Students explore visual identity and branding issues with a focus on organizational goals, strategic positioning and multi-platform implementation.

Professional Practices in Design (Fall '15)

ARTD 405—Students gain insight into being a working practitioner: client relationships, financial/legal issues, professional responsibilities and other associated industry matters.

Interaction Design II (Spring '18, Spring '17, Spring '16)

ARTD 319—Students expand experience with interaction, functionality and usability principles by designing solutions for content management systems and mobile platforms.

Interaction Design I (Fall '15)

ARTD 318—Students gain experience with interaction, functionality and usability principles by exploring how communication is created and presented in a Web-based environment.

Intermediate Visual Communication I (Fall '17, Fall '16, Fall '12)

ARTD 311—Students explore typography, imagery and design process through an introduction to visual/corporate identity, branding and related communication design issues.

Fundamentals of Graphic Design (Fall '16, Fall '10)

ARTS 215—Students explore typographic terminology, formal relationships and design process with a focus on concept, craft and presentation.

Type & Image (Spring '18, Spring '17, Spring '15, Spring '14, Spring '13, Spring '11)

ARTD 212—Students study type and image relationships with an emphasis on conceptual presentation as symbolic or representational narrative through singular or sequential formats.

Typography (Spring '16)

ARTD 211—Students explore the use of type within composition to further knowledge of terminology, typesetting standards, legibility and formal structure.

Introduction to Visual Communication (Fall '17, Fall '16, Fall '15, Fall '14, Fall '13, Fall '12)

ARTD 201—Students are introduced to graphic design in historical/contemporary contexts. Students explore design process with a focus on typographic and compositional structures.

2-D Foundation Design (Fall '17)

ART 102—Students explore design elements and formal principles through the study of space, composition and application within digital and analog media.

*College of DuPage***Web/Interactive Design 2 (Spring '17)**

GRDSN 2206—Students plan and develop interactive design concepts for use on the Web and mobile interface platforms using industry-standard tools and techniques.

Branding and Entrepreneurship Panel Discussion with Firebelly University
 Debbie Millman's Masters in Branding Class, School of Visual Arts, New York, NY
- articles & press* 2017
Design for Good
 Frank Magazine, Vol. 6., Columbia College, Chicago, IL, (March 2017): p. 8:11-13.
- awards & honors* 2012
**Invited Designer, Stories of Change Impact Lab, Tomorrow Labs;
 Tomorrow Partners, Sundance Institute, Skoll Foundation, Berkeley, CA**
 Filmmakers and social entrepreneurs worked with designers to accelerate storytelling and technology solutions. This week-long, immersive design charrette culminated with presentations aimed at seed funding to extend the stories in innovative and meaningful ways.
- 2011
Fellowship, Firebelly University; Firebelly Design, Chicago, IL
 A real world alternative to an MBA, this nine-month intensive entrepreneurial incubator brought together five designers, with a social awareness, from across the country to start and run a design studio; support a not-for-profit; and develop social enterprise opportunities.
- 2010
Camper, Camp Firebelly; Firebelly Design, Chicago, IL
 An intensive apprenticeship program bringing together 10 designers from around the country to learn and create work for two Chicago not-for-profit organizations within 10 days. Collaborated on research, concept, design and production. Completed work included print materials and hand-crafted products.
- 2009
Assistant & Collaborator, Moving Design; Thirst, Chicago, IL
 Served Thirst Design for their initial expression of Moving Design, a collaborative project working leading initiatives that inspire change through the power of design. Coordinated communication and remote lectures for student projects and feedback.
